NOTE FOR: Chief, International Activities Division/DDO

FROM: EA/DDCI

Per our telecon, would you take the lead in pulling together a first try at the attached by about 12-13 April. This was triggered by the recent Executive Director semiannual report  which--along with your earlier NSPG review--probably contains much of the information you would need. The DDCI suggested limiting the program evaluations to just those programs listed.
